From finding health providers and explaining options to estimating costs and scheduling an appointment. We are committed to addressing and resolving your healthcare questions, issues and concerns to your satisfaction.

Expert Health Assistants

Our EHA's are proficient in navigating the constantly evolving healthcare system. Caring, friendly and ready to look after you.

Highly Rated Medical Professionals

Our EHA's will help you identify and verify highly rated doctors who are in your network, in your neighborhood, and available to see you. We can assist with finding any kind of care, ranging from family doctors and pediatricians to nutritionists and counselors, and even specialists such as cardiologists, orthopedic surgeons and more.

Access To High Quality Facilities

If you need an x-ray, blood work, urgent care center, or other medical service, TouchCare can help you decide where to go.

Clarity And Simplicity

No jargon, no acronyms, no dead ends. Our EHA's are fluent in healthcare.

Privacy Is Our Priority

Your interactions with TouchCare are 100% confidential. TouchCare is HIPAA compliant, and abides by strict security and confidentiality standards.

100% Free To Use

TouchCare is a free benefit provided by your employer for you and your dependants.
