Basic Term Life and Accidental Death and Dismemberment (AD&D) Insurance

Your employer provides you with Basic Term Life and AD&D insurance coverage in the amount of \$25,000

What's Not Covered?

Like most insurance plans, this plan has exclusions.

Please note that a reduction schedule may apply. Please see your plan certificate for specific details.

Accidental Death & Dismemberment (AD&D) coverage complements your Basic Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight, third degree burn, or brain damage or coma. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing, various forms of paralysis, third degree burn, brain damage and coma. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount. **Standard**

Additional Benefits Include

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:

- Air Bag
- Seat Belt
- Common Carrier

What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained or from food poisoning; suicide or attempted suicide; injuring oneself on purpose; the voluntary intake or use by any means of any drug, medication or sedative, unless taken as prescribed by a doctor or an over-the-counter drug taken as directed; voluntary intake of alcohol in combination with any drug, medication or sedative; war, whether declared or undeclared, or act of war, insurrection, rebellion or active participation in a riot; committing or trying to commit a felony; any poison, fumes or gas, voluntarily taken, administered or absorbed; service in the armed forces of any country or international authority, except the United States National Guard; operating, learning to operate, or serving as a member of a crew of an aircraft; while in any aircraft for the purpose of descent from such aircraft while in flight (except for self-preservation); or operating a vehicle or device while intoxicated as defined by the laws of the jurisdiction in which the accident occurs.
