24/7 Virtual Visits phone and video chat with a doctor are not an insurance product, health care provider or a health plan. Unless otherwise required, benefits are available only when services are delivered through a Designated Virtual Network Provider. Virtual Visits are not intended to address emergency or life threatening medical conditions and should not be used in those circumstances. Services may not be available at all times, or in all locations, or for all members. Check your benefit plan to determine if these services are available.

Members can access average cost data or estimates online or on the mobile app. None of the average costs or estimates are intended to be a guarantee of your costs or benefits. Your actual costs may vary. When accessing average cost data or estimates, please refer to the Website or Mobile application terms of use under the Find Care & Costs section.
