

Telemedicine

Teladoc[™] HEALTH

Teladoc Health offers a comprehensive virtual care solution capable of serving organizations and people anywhere. Teladoc Health seamlessly connects general medical, mental health and complex care to deliver convenience, outcomes, and value.

amwell

Amwell makes doctor consultations convenient. Now you can have live, on-demand video visits with a physician of your choice. Amwell connects you to board-certified doctors 24 hours a day using your phone, tablet or computer.

on demand

With Doctor On Demand, your members have a dedicated Primary Care Physician and Care Team for urgent and everyday care, behavioral health services, preventive care, as well as chronic condition management. Available 24/7 via video visits, voice, and messaging.

Optum

Optum® Virtual Care connects your employees to quality and convenient primary care and urgent care, when and where they need it most - virtually or in person. Benefits include the ability to, better manage employee health, get convenient access to quality providers and reduce time away from work.
